B&B

[Nobnocket Boutique Inn](#), *Vineyard Haven*

In a sequestered, estate-like setting with an up-island feel, yet just a half mile from the ferry dock and Vineyard Haven's hopping Main Street, Simon and Annabelle Hunton strive year-round to convince guests they're not staying at a B&B. The innkeepers' personal guidance unravels the mysteries and diversity of Martha's Vineyard. Ultra-contemporary, Zen-like interiors create the sense you've crashed an elite designer's secret sanctuary. Spend your day wandering the gardens, borrowing bicycles, and exploring the island. You'll return to your expansive room unwound, refreshed, wiser. 508-696-0859
